

COURAGE

Courage Scenarios

Directions: Students can be given these scenarios to act out in small groups or the scenarios can be simply be discussed.

Most important, help students relate the scenarios to the theme of courage and include new learning and questions on the concept/question board.

Scenario One:

You are playing basketball on the playground with friends when you see a stranger on the schoolyard. How would you react in this situation?

Scenario Two:

You are going to be performing in a talent show in which you will be asked to sing in front of the whole school. What would do?

Scenario Three:

You have gone to the market with your mom and are standing in the vegetable section. When you look up, your cannot find your mom. What do you do?

Scenario Four:

You are playing baseball on your street and hit a homerun...it breaks your neighbor's brand new window. What will you do?
