

## I've Got Courage Chant

C-O-U-R-A-G-E,  
I've got courage and you will see.  
I am strong and I am brave,  
Even if creepy things are crawling in a cave.  
I'm not afraid if I see a bear,  
Because I have courage and I'm not scared.  
If I see a black and yellow bee,  
I won't hide behind a tree.  
A hero is someone from my point of view,  
Who is not a wimp, and who is brave like you!
