

Sunflowers for Tina  
OCR 3<sup>rd</sup> grade Unit 2 Lesson 7  
Readers Theatre

Ike: I'm home! Look at these lush flowers I've picked for you.

Tina: Those aren't lush, they're wilted!

Ike: Well, I tried. What's for dinner?

Tina: I've created a bounteous feast for us.

Ike: There are only two fish sticks and a potato on a plate!

Tina: I'm sorry that it isn't fancy enough for you.

Ike: We have to change our ways. We can make our lives fancier.

Tina: First I'll get some lovely daisies.

Ike: I'll go out and buy some groceries for a terrific meal.

Tina: Shouldn't we get some new furniture.

Ike: You're right! This place is a dump.

Tina: Our place will be the site of luxury.

Ike: We'll be the envy of everyone.

Tina: This makeover is easier than I thought it would be.

Ike: Humans shouldn't be the only ones to live well.

Tina: We chipmunks deserve the finer things in life, too.
