

Teammates (Chant by H. Nolan)

Racism here, racism there

Racism, racism everywhere

Negro Leagues separated

Black people shunned

Schools, churches biased

Drinking fountains banned

Restaurants wouldn't serve them

They had to carry food

Hotels would refuse them

They slept in their cars

Racism here, racism there

Racism, racism everywhere

Friendship here, friendship there

Friendship, friendship everywhere

Branch Rickey challenged people

Brooklyn Dodgers needed him

Jackie Robinson was strong

He wouldn't fight back

Jackie was humiliated

Players were cruel

Fans threatened until-

Pee Wee Reese cared

Friendship here, friendship there

Friendship, friendship everywhere
