Readers Theatre

Sugar: Where are we going? You've gotten us completely lost!

Spice: It's not my fault; you told me to take us into uncharted waters.

Sugar: Indeed. I need to find my precious!

Spice: Even if you find your precious, you'll probably live in unhappiness.

Sugar: Anyway, let's pull into this port and ask for directions.

Spice: We can also buy some merchandise for the rest of the voyage.

Sugar: Oh look! There's a wedding procession. Let's watch.

Spice: It's so romantic. We can crash the party and eat.

Sugar: We'll have to be discreet. We'd better change our clothes.

Spice: Wow! You look fancy. You're dressed to the nines!

Sugar: You don't look so bad yourself. You look marvelous!

Spice: Yummy. This food is delicious.

Sugar: We're a couple of scoundrels. Do you think they're conscious of us?

Spice: No, they're having too much fun eating and dancing.

Sugar: I like it here. I don't need to search any further for my precious.

Spice: I agree. Happiness can be found anywhere!
