

The New Doctor
OCR 4th grade Unit 3 Lesson 4
Readers Theatre

Stetho: I'm hurt. I need help!

Scope: Don't worry. I'm here.

Stetho: Are you a doctor?

Scope: No, I'm a curandera.

Stetho: A cura-what?

Scope: A curandera. A healer.

Stetho: I need a doctor, not a witch doctor!

Scope: Don't let your superstition get in the way. I have the facilities to help you.

Stetho: Just help me to get over this threshold.

Scope: Ok. Lie down. I'm going to cover you in gossamer.

Stetho: Is this going to hurt?

Scope: No, just relax and drink this mixture I've made you.

Stetho: Wow! I feel better already. You have profuse powers.

Scope: I work with your body. You did most of the work.

Stetho: Next time I have another broken nail; I'll be sure to find you.

Scope: No, next time you should see a manicurist.
