

## Scenarios

# SURVIVAL

What would you do and how would you use available resources in the following scenarios in order to survive?

## #1 PLANE CRASH

You are traveling with your family when your airplane crashes in a snowy climate like Antarctica.

## #2 SNAKES IN THE MALL

You are eating in the food court of the mall when you see a snake under the table, crawling toward your leg.

## #3 WHERE THERE'S SMOKE

You are in the shower and you smell smoke. What would you do?

## #4 POWER OUT

You are home alone when the power goes out. You can't see anything. What would you do?

## #1 SPLISH SPLASH

Water is starting to leak inside your house from the roof. What would you do?
