Book 50 Dragons don't get colds

Dee the Dragon felt terrible. Her nose hurt. She could not breathe. She could not speak.

Dad felt Dee's cheeks. Her cheeks were hot. Dee had a fever and a cold.

Dee could not breathe hot flames. Dee could not breathe at all. Dee felt sick and went in her bed.

"Dad made Dee a pot of tea. The tea's heat will help you breathe,:" said Dad.

Dee cried, "Dragons do not like tea," but she drank it up. And then Dee sneezed a giant sneeze.

"I can breathe!" shouted Dee. "I feel so much better!"
