Book 61 Who took my Book?

In the morning Bunny puts his joke book and his lunch in his backpack and takes it to school.

After school Bunny looks in his backpack but he does not have his joke book.

Bunny cries. Mom says that she will help him look for his book.

They go to the babbling brook and take a look. There is no backpack in the book.

Then they hear laughing behind a pile of wood. It is a bird reading Bunny's joke book.

The bird says that he found the joke book on the path near the school.
