Sailor Paul wanted to catch lots of crabs. Everyday he went out in his yawl.

Sailor Paul threw his nets in the sea. He catch ten squids and six sharks.

He threw all the squids and the sharks back in the sea. Sailor Paul was very sad. He wanted to catch crabs.

Sailor Paul hauled out his yawl and threw out his nets. He catch then whales and eight tunas but no crabs.

I want to catch crabs and I want them on the deck of my yawl.

He looked at all the fish on his deck. He had lots and lots of fish. Maybe I do not really want crabs at all.
