Book 67 Roy and Big Boy

Roy liked the farm. He liked eating and he liked rolling in the mud.

Big Boy the Cat spoiled the farm for Roy. He liked to howl and annoy everyone.

Cow told Roy to avoid Big Boy. Dog said, "Let's boil him in oil."

Roy had a better plan. He spoke to all of his loyal friends. They got together to do something special.

Roaster woke everyone up but Big Boy was still asleep. Dog began to howl. Roy, Cow and all the other animals howled.

Big Boy woke up. He was annoyed. He got the point. He would not howl anymore.
