

The Big Team Relay Race (Tune: Yankee Doodle)

**There were players on a team
A relay race they picked
Went up to the starting line
And waited for the stick.***

***On your mark, get set, and go!”
Run, run, very fast
Remember you must pass the stick
And do not be the last.**

**Turtle gave his stick to Cat
And Frog gave his to Rabbit
Duck received his stick from Dog
They all reached out and grabbed it.***

**Duck was running very fast
And fell into a puddle
Worm said, “I will win the race”
And got out of trouble.***
