

**Captain Bill Pinkney's Journey** (Tune: Row, Row, Row Your Boat )

**Sail, sail, sail your boat  
Oceans, wide to cross  
Make commitment—powerful promise  
Sail around the world.**

**Learn, learn, learn about  
Boats and many tools  
Radios, radar, geography, weather  
Sail around the world**

**Work, work, work yourself  
Study charts and maps  
Route your way to continents  
Sail around the world.**

**Cross, cross, cross the line  
“Equator” it is called  
Rolling, pitching, waves are strong  
Sail around the world**

H. Nolan
