

# The Fox and the Grapes (Chant)

Grapes in the garden...  
looking mighty fine  
Dusty and thirsty...  
fox said, "They're mine."

Large, ripe, and juicy...  
hanging way up high  
stretching, jumping...  
fox said, "Oh my."

"Grapes are high...  
and I am low  
bet they're sour...  
bet that's so."
