

The Hare And The Tortoise (Tune: London Bridge)

Hare and tortoise had a race,
had a race, had a race
Called the tortoise "Slowpoke"
in the race.

Passing fox said, "Ready, set, go!"
"Ready, set, go!" "Ready, set, go!"
Far ahead, hare fell asleep
in the race.

Tortoise kept on plodding by
plodding by, plodding by
Never once, he stopped to rest
in the race.

Hare woke up and ran so fast
ran so fast, ran so fast
But the tortoise finished first
in the race.
